EDUCATION

- **Motilal Nehru National Institute of Technology Allahabad, Prayagraj** 2023-Present
Bachelor of Technology, Civil Engineering CPI(till 6th semester): 7.22
- **New Era School, Unnao** 2022
Central Board of Secondary Education, U.P Percentage: 86
- **St. Lawrence School, Unnao** 2020
Indian Certificate of Secondary Education, U.P Percentage: 95.6

PERSONAL PROJECTS

- **CINEMATCH – MOVIE RECOMMENDATION SYSTEM** June 2026
Content-based movie recommender using TMDB 5000 data with NLP and cosine similarity.
 - Tech Stack: Python, Pandas, NumPy, Scikit-Learn, NLTK, RapidFuzz, Streamlit, TMDB API
 - Implemented an interactive Streamlit app with typo-tolerant movie search using RapidFuzz, surfacing cleaned metadata such as title, genres, ratings, runtime, and overview in a responsive UI.
 - Integrated TMDB API to fetch up-to-date posters, trailers, ratings, and detailed cast/crew profiles, and added a session-based watchlist to keep track of recommended movies.
- **CONSTRUCTION SITE TRACKER** December 2025
Real-time construction site tracker with secure authentication, project monitoring, and administrative features
 - Tech Stack: React, Node.js, Express, MongoDB, Tailwind CSS, JWT
 - Built full-stack MERN application with JWT authentication, role-based access control, RESTful API for project CRUD operations, and admin dashboard featuring user management, role assignment, and platform statistics.
 - Implemented file upload system using Multer middleware with validation, designed responsive UI with React Router and Context API, deployed on Vercel and Render with environment-based configuration.
- **PERSONAL PORTFOLIO** June 2025
Personal frontend portfolio site to showcase projects, skills, and contact information
 - Tech Stack: HTML, CSS, JavaScript, Bootstrap, Formspree
 - Designed and built a fully responsive single-page portfolio website to showcase projects, skills, and contact info. Used semantic HTML, modern CSS (Flexbox, Grid), and Bootstrap for layout and mobile responsiveness. Added dark mode, smooth scrolling, and a Formspree-powered contact form using vanilla JavaScript.

TECHNICAL SKILLS AND INTERESTS

Languages: C++, Python, JavaScript, SQL

Frontend: Bootstrap, React.js

Backend: Node.js, Express.js, PostgreSQL

Relevant Coursework: Data Structures and Algorithms, Machine Learning, Web Development, Graphic Designer

Tools: VsCode, Adobe Illustrator, Adobe Photoshop, Git, Github

Soft Skills: Team Work, Leadership, Problem-Solving, Communication, Creativity, Organisational skills

POSITIONS OF RESPONSIBILITY

- **Hack36 Design Team:** branding and graphics for college hackathon; two design certificates 2025-Present
- **Graphic Designer:** Computer Coding Club 2024-Present
- **Coordinator:** Inaugural Committee 2023-Present

ACHIEVEMENTS

- **Kaggle certificates:** Data Visualization, Pandas, Intro to Machine Learning 2026
- Completed The Web Developer Bootcamp 2024 by Colt Steele on Udemy 2025
- **AVISHKAR:** Among the top 10 performers in Codigo, under Avishkar, technical fest, MNNIT 2024
- Among the top 5 percent students in city in High School 2020
